To the Honorable Mr. Williams

I deplore the violation of human rights in South Korea under the present military dictatorship of Chun Doo-Hwan. Under the guise of maintaining a stable government to protect the people of South Korea against the threat of a North Korean incursion the government has subjected its people to a tyranny just as insidious. I am petitioning that the United States register a strong protest against the death sentence of Kim Dae Jung and urge, ~~if necessary~~, applied against the ~~people~~ present regime until free government is restored to the people. We must not continue to be accomplices to a tyrannical government in our effort to protect the people against a tyrannical enemy.

I am a student at Princeton Theological Seminary and am one of your constituents. I plead with you to consider the importance of this issue.

Sincerely,
Leslie J. Hoppe
